

controllers/utls.c

```
graph TD; A[controllers/utls.c] --> B[icom/lcf.h]; A --> C[stdint.h]
```

The diagram illustrates the dependencies of the file controllers/utls.c. It is represented as a box at the top with two arrows pointing downwards to two other boxes: icom/lcf.h on the left and stdint.h on the right.

icom/lcf.h

stdint.h
